

Eyelash Extension Equipment & Products.

Here is a list of essentials for doing Eyelash Extensions.

- Lash Adhesive (standard and sensitive usually needed)
- Air Blower
- Disposable Mascara Brushes
- Jade Stone
- Slimline Lint Free Eyelash Pads
- Micropore Tape
- Tweezers - Straight, L Shape and X Type (advanced tweezer kits available from ourselves)
- Glue Remover
- Primer
- Lash trays (We recommend multi length trays of different lash types to start)
- Sealant (clear aftercare coating)
- Mascara (mascara specifically designed for use on natural or extended lashes)
- Client Aftercare Cards (to hand to Clients after the procedure)
- Client Record Cards (used to keep details of each Client. name, address, skin test, lashes used etc)
- Micro-brushes or Micro-Applicator (used with primer or glue remover)
- Protein Pads (used to clean the natural lashes prior to the procedure)
- Lash Foam Cleanser
- Lash Foam Brush

All of these products are available from www.eyeluvlashes.co.uk
