Cuticle pusher. 07. Straight edge nail clippers (for pedicure).(round edge nail clippers for manicure) 08. Cuticle knife. 09. Cuticle moisturising cream. 10. Cuticle eraser cream. 11. NSI Plush brush. 12. 100/180 grit files. 13. Spatulas. 14. Exfoliate. 15. Heat mask. 16. Massage cream 17. 100/180 grit white block. 18. Toe separators. 19. Towels. 20. Barbicide. 21. Non Acetone ( for removal of air dry polish) (not shown). 22. Heated manicure mitts (not Shown) 23. Heated Foot booties (not shown) 24. Manicure bowl (not shown)

Items not shown:- **Pedicure** bath, Heated booties. Mr Pumice (for the removal of hard skin). Selection of nail polishes. Disposable gloves (some technicians wear gloves when doing a pedicure)

Always remember that a salon pedicure is a cosmetic service and you are not a Chiropodist, so anything beyond a beauty treatment you must refer the client. Before you carry out a pedicure make sure you cover all Contra-indications with the client thoroughly.

Products may be brought on-line from [www.capitalhairandbeauty.co.uk](http://www.capitalhairandbeauty.co.uk)

Manicure products are the same but you can buy specialist manicure products.

Extra items for **manicure** include:- Heated manicure mitts or towelling mitts. Manicure soak dish. Curved edge nail clippers. Paraffin Wax bath, Foot soak as mentioned above can be used as a hand soak.
